RE: Open Records Request

Dear Professor Hill:

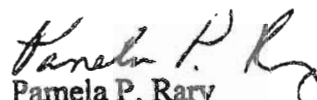

I am in receipt of your open records request dated October 16, 1997.

Please note, I have requested items 1 and 2 of your request from the School of Math and will forward them to you upon receipt. With regard to your request relating to the "source and disbursement of funds to and from the Center for Dynamical Systems and Nonlinear Studies during the period 1988 to the present", I requested this information from Dr. Hale, Center Director and Dr. Shui-Nee Chow, Chair, School of Math. Dr. Hale stated there were no such records. I have not yet received a response from Dr. Chow.

Your requested item 4 will require some clarification, are you requesting any and all records (e-mails, letter, memos etc. between Andrew, Shui-nee Chow, Dean Schuster, and Legal Affairs since September 20, 1997) or just records between the listed individuals which relate to you or your open records request?

With regard to any new information requested, I have referred your request to Mr. Randy Nordin for response as I will be out of the office for several days.

Sincerely

Pamela P. Rary
Attorney
