Prof. Hill:

You requested electronic and/or hardcopy backup for any e-mail to or from Dr. Duke concerning you, deleted since April. As previously noted, this will require a search of the tapes maintained by the Math Department. At this time, I estimate that a search of the last four weeks of tapes would cost approximately \$1,500.00. Again, this amount would be payable by check in advance. This search does not guarantee that the documents you request exist. Any documents covered by work-product or attorney-client privilege will not be produced.

Let me know whether you wish to proceed.
